All candidates should notify their desire before Tuesday, May 13, 2008 to the Ada-Belgium Secretary (see header).

Members willing to add items to the agenda are invited to do so also before Tuesday, May 13, 2008, at the same address as above.

*If you have not yet renewed your existing affiliation, please make the necessary payment of your membership fee before the General Assembly, in accordance with the invoice that was also sent via postal mail.*

**Note:** The Ada-Belgium Board decided to propose a more interactive and social format; therefore the G.A. is embedded in the Ada-Belgium Spring 2008 Event which starts at noon, runs until 7 pm, and includes among others a barbecue and a workshop on creating Debian packages of Ada software. See the separate announcement for more information, and for instructions on how to get precise directions to the place of the meeting.

Everybody is welcome; presentations are in English.
